

## FEELING LOST?

### FEELING LOST?

Perhaps you feel scared about the person you are becoming. Maybe you don't know what to do with your life. Or perhaps working to make a living, so you can work to make a living just doesn't make sense. Is that all there is?

Happiness eludes you, no matter how hard you try. What everyone else calls "fun" just ends up depressing you.

You may be thinking, "What's the point?"

Why does the approval of your friends matter so much anyway? And if they were real friends, would they not accept you as you are?

I want you to know that the empty place you feel inside is no accident. It is there by design. It can only be filled by God.

Read the Gospel of John. You can find it online. What do you have to lose?
