

PRAYING AGAINST TERRORISM

PRAYING AGAINST TERRORISM.

Prayer is the mightiest force in the world – for those who believe.

Here is how I pray against terrorism.

“Father, I ask you, in the name of Jesus Christ, to keep our nation safe from terrorism.

I ask you, Lord, to give our law enforcement and intelligence services the clues and “coincidences” to foil the terrorists’ plots before they are carried out. Find them out, Lord!

May your hand be against those who plot evil.

Lord God, change the hearts and minds of the terrorists. Foil their plans. Cause their plots to fail.

Father, I ask you to remove the blinding effects of Satan in their minds. Bring them out spiritual darkness into your light.

Cancel the assignments of the evil one against our nation. Break apart the principalities and powers who seek to influence us and do us harm.

In the name of Jesus Christ! AMEN.”
